## NOTICE

### Subject: Issuance of Migration Certificates for Class XII Pass-out Students

This is to inform all Class XII pass-out students that the school office has received several requests regarding the issuance of Migration Certificates required for higher studies. Due to the temporary unavailability of the CBSE portal for migration certificates and other related documents, the school is currently unable to issue Migration Certificates. The certificates will be provided as soon as the CBSE portal becomes functional and the service is restored.

In the meantime, students may download their Migration Certificates directly from the DigiLocker website or mobile application. For guidance on the download process, students are advised to refer to the following video tutorial: <https://www.youtube.com/watch?v=IzIKKKzrs2g>

Students are requested to follow the instructions provided in the video and obtain the certificate through DigiLocker until the CBSE portal becomes operational.
